nexus_holdings_global_inc.pdf	2	2.2 Prohibited Lending & Credit Exposures No subsidiary of Nexus Holdings Global Inc. shall extend commercial credit loans, operational advances, or trade-financing facilities to any active vendor if an executive director or immediate family member of an executive director of the Parent Company holds an equity stake or promoter share in that vendor entity exceeding 2.5%.	primary_source_match, transaction_fact_match, rule_language_match

AUDIT RATIONALE AND ACTION

The selected rule applies because Internal Policy governs the outbound payment involving Nexus Holdings and foreign vendor for software consultancy in India.

Deficiency findings

- Director Exposure Risk remains marked for reviewer confirmation based on attached evidence.
- Cumulative Quarterly Exposure failed: actual value is \$5,450,000.00 USD including current transaction; expected Cumulative quarterly technology remittances should remain at or below \$5,000,000.00 USD..
